## SCUTTLEBUTT

We had our **Christmas Party on Saturday December 7th**, at Kathy Ellis' home in Westminster. We had a moderate turn out, plenty of food including ham, lasagna, chicken, salad, and many other treats. This year the toy drive was separate and was done at the last meeting in November before the party. We had a bunch of toys and I'm sure the Coast Guard kids appreciated them. Thanks to all that donated.

We are off to a new year and it's time to help us find speakers and programs for the meetings. We will be looking for mostly sailing oriented programs. I can always show videos of various sailing and diving productions, but we also need outside speakers with programs of interest. If you know of someone that would be able to put on a program, please contact me or Bill Anast.

This year, as always, we will be looking for people to volunteer their homes for house parties. Contact Wendell, if you are interested.

Dock parties will start again when the weather becomes warm enough to be doable, possibly March.

For those interested in racing, the SCYA Mid-Winters will be February 15-16. PHRF Class racing.

The Congressional Cup is April 28th—May 3rd.

The Newport-Ensenada race is April 24-26.

Ulman Sails Long Beach Race Week is June 26-28.

If you are interested in participating in any of these events, contact me. (Dave)  
**OPENING DAY** is tentatively scheduled for April 25th. We will have more on that as it develops.

Also, with the New Year, it's time for many of you to **Renew Your Memberships**. Renewal forms are on the website (lbsyc.org) on the About Us page where there are renewal form PDF's that you can fill out on line, print and bring to a meeting or mail in. Melba will also be sending out emails with the form attached. Help Keep our club Strong and renew. Your membership fee covers Insurance, SCYA membership, Opening Day and other costs to keep the club running. We can't do it with out your support.

It's a New Year and time to think about events both on land and on the water. The annual Gray Whale migration is under way and time to think about going Whale Watching. We had a great time last year going out of Davy's Locker in Newport Beach and saw a Mother Humpback and her calf. We also saw thousands of Dolphins, swimming and showing off. How about a trip to the LB Aquarium since it's new addition? Last year we did the Cabrillo Aquarium and the Marine Mammal Care Center. We can also use people to volunteer their homes for house parties. This year, Panthers At Sea will tentatively be the Saturday before Mothers Day, May 9th. Then there's cruises to Catalina. Let's get events going for the New Year!

## NAUTICAL QUESTION: WHAT IS THE HISTORY OF THE NAPLES SABOT? PART 3 OF 4

Midwinters in 1947 were sailed at Alamitos Bay, and there were also match races and intercollegiate races during the late winter and early spring. The summer regattas began with Memorial Day at Alamitos Bay and continued through the Summer Series. The 1947 tour of regattas started with the trip to the S.C.Y.A. Championships in Santa Barbara in which 11 Sabots competed. All 11 raced out to an ocean marker and back without trouble. The next events were the Lido Isle Yacht Club Regatta, followed by Race Week and Newport Harbor. The week following found the Sabot racing 10 races in 5 consecutive days while participating in the Fiesta Regatta and the Labor Day Regatta at Alamitos Bay.

Some of the early enthusiasm was inspired by the raffle of Naples Sabot No. 100 at an Alamitos Bay Yacht Club Annual Meeting. The boat was won by George Hart Jr. Another Sabot, No. 105, was raffled at the Santa Barbara Yacht Club to increase interest in the class there.

Beginning in 1948, two annual regattas were sponsored by the Naples Sabot One-Design Association: the Round Robin Regatta in May and a Championship Race in August. For these, the Association donated perpetual trophies. Also in 1948, there was a growing interest in the Naples Sabot in Malibu. They wrote,

**FROM THE COMMODORE,**

Ahoy Mates,

I hope that you all enjoyed the Holidays. I also hope you brought the New Year in with wonderful thoughts for the coming year 2020. I would encourage you to make a New Year resolution to make as many Club meetings as possible. Your staff and I as your New Commodore want to bring meaningful programs and fun parties and many sailing adventures as we can for you. This is your club and we want to make it grow and bring fellowship and boating come together for you. We encourage you to bring friends to our club and ideas that can add to this club. I have talked to Captain Jack Sparrow about our future and he wants to give us a series of famous sea captains that will share their love of the sea. We may hear from such famous figures as Admiral Lord Nelson, Captain John Paul Jones, even President Kennedy about their adventures on the sea. At our first meeting in January, we will install your new officers and bid thank you to our past. Come and support them and start the New Year with us.

Fair Winds and Following Seas,

*William Anast*

**FROM THE VICE-COMMODORE**

Hello fellow yacht club members,

We are off and running in 2020. I am happy to be part of the club in this capacity. Having grown up on the water in Huntington Harbor, I am fond of the ocean, sailing, boating, and especially cruising! I first learned to sail on a sabot at the age of 6, then, advanced to racing Lido 14's in high school with my brother. Then I crewed on my dad's 36 ft. Islander as an adult. Your flag officers would like to increase sailing/boating opportunities. Let's also work on increasing membership and attendance at our meetings. If you are interested in getting involved with event planning for our club please let one of us know.

Let's make 2020 a fantastic year for our club!!

*Jill Beideman*

**FROM THE REAR-COMMODORE****Boat Parade Watching Parties,**

Ever since I came to California in the late 60's, I have enjoyed watching Christmas Boat Parades. I've been in several over all those years also. Since I lived in Newport Beach, I began watching that one. This December 22nd, I watched the Newport parade from inside the American Legion YC with Sue Leczkowski. LBSYC has reciprocal rights at ALYC. On Dec. 14th, Ruth and David hosted an LBSYC party to watch the Naples Boat Parade. Only Jim Campbell and I showed up along with Ruth & David. Naples parade is a small parade in the Bay, but the boats that passed by were colorful and festive. Evidently, the other members of the club forgot about it, or didn't want to deal with the traffic and parking.

**House Parties:** I want to thank Kathy Ellis very much for hosting the club Christmas Party again this year. It was moderate attended and guests had a jolly good time. Perhaps some other brave member will host a February party inside their house.

**NAUTICAL** from page 1

phoned, and sent representatives to Alamitos Bay to get a class started there. By October 1948, there were 12 boats finished and sailing at Malibu and arrangements made to build 8 more. There they launched them through the surf and sailed in the ocean.

At the same time interest was growing also in the Mission Bay-San Diego area, where boats were being built by the Dash Manufacturing Company as well as private individuals. With four completed Sabots and others under construction, Mission Bay applied for and received a Fleet Charter on October 29, 1948, becoming the second fleet of Naples Sabots. Early officers of the Mission Bay group included John Gillette, Ethel Daschner, and Richard Strauss. Malibu also received a charter at that time and became the third fleet. Officials in the Malibu Fleet included John Biby, Howard Splane, Allan Storms, Dudley Murphy, and Michael Perriere. Growth in the class was indicated by the 66 new Sabots which were built in 1948: 44 at Alamitos Bay, 10 at Mission Bay, and 12 at Malibu. That year the Naples Sabot skippers enjoyed many regattas at Alamitos Bay, Balboa, Glorietta Bay, Los Angeles Harbor, Malibu, Mission Bay, Newport Harbor and Santa Barbara. Invitational regattas, as well as their own class-sponsored races, the Round Robin and the Championship Regatta, were well attended by Sabot skippers. Finished next month.
